

Application No.: 10/649,519

Docket No.: 200300040-1

REMARKS

Applicants have herein amended the specification in paragraph [0001] to delete the attorney docket numbers and to insert the corresponding application serial numbers and filing dates of the cited documents. No new matter is introduced by the amendments to the specification.

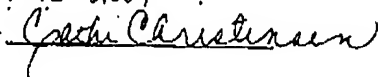

Applicants note that the Examiner has identified allowed claims as 1-31 on Page 1 of the Notice of Allowability, and has identified the allowed claims as 1-18 on Page 3 under Allowable Subject Matter in the same Notice. After review of the Examiner's Detailed Action, it is Applicants' belief that the Examiner's intent was to allow all of the pending claims 1-31. If so, then Applicants respectfully concur with the Examiner's allowance. If the Examiner disagrees with Applicants' belief, then Applicants respectfully invite the Examiner to withdraw the application from issue and to reject the unallowed claims in an Office Action.

Applicants believe no fee is due with this response. However, if a fee is due, please charge Deposit Account No. 08-2025, under Order No. 200300040-1 from which the undersigned is authorized to draw.

I hereby certify that this Amendment After Allowance Under 37 USC 1.312 is being facsimile transmitted to the USPTO, on the date indicated below.
